MICKS'D UP

KITCHEN

Established in 2020 by educators Kyle and Jessica Mickelson, Micks'd Up Kitchen has quickly become one of the Mississippi Gulf Coast's premier food trailers for smoked meats. Built on a "small batch" philosophy, we focus on locally sourced ingredients, made from scratch sides, and thoughtfully crafted dishes that go beyond traditional barbecue.

What truly sets us apart is our commitment to originality. We are the only BBQ operation in our area that cooks exclusively with wood on an offset smoker, embracing the time, skill, and attention it takes to produce true craft barbecue. Our ever-changing menu features everything from classic smoked meats to unique, house butchered proteins, and even vegetarian options, ensuring every visit is both fresh and memorable.

By prioritizing quality over quantity, we create food that reflects true craftsmanship, attention to detail, and a passion for doing things differently—some might even call it a little "Micks'd Up."
